Dear Sir

If you happen to have any cardboard tokens will you please quote prices. They usually read "Good for One Cent" and bear a merchant's name + address, mostly civil war period. If you have only a few, you can send on approval. I am a fellow of the Am. Num. Soc. etc., and, with thanks remain

Yours sincy

T. O. Mabbott.

N.B. I know they're scarce, but thought you might have some around — I recall you once had a lead tessera when I wrote for it!
